

## SHADY PINES

### Product Description

The Shady Pines structure features three slides, making it a favorite for rambunctious kids of all ages. If they are warming up for the fun there is a 3ft single slide they can enjoy for starters or they can enjoy the 5 ft single slide. The Double Slide provides the perfect avenue for an afternoon of friendly competition as kids race each other to the bottom. This structure is great for kids who love to climb, Shady Pines has a hand full of scaling opportunities, including Trunk climber and an impressive Rock Climber or the Wing climber. On the ground floor, a Rain Wheel and Saddle seat and counter panel help with the imaginary and dramatic play. The world map on one of the platforms provides learning in a fun atmosphere. A Square shade covering the two platforms offers plenty of shade and protection on hot and sunny days. The Shady Pines model is available in both the natural and primary color palettes as our Quick Ship option.
