

## NORTHERN PLACE

### Product Description

The Northern Place play structure is a perfect play structure for children to have fun and play together. It has a mirrored pair of 4ft Single Slides which ensures that kids will always have a slide open for them. The Inverted Arch Ladder provides a quick way for children to climb right back up to the top, to slide down again. Other options for a way back up, children can hop on the rock climber or use the accessible Transfer Station stairs. This structure also includes bongo drums to tap out a beat and a PE stool for a rest stop while playing. You can order Northern Place without a roof or for some added shade options you can add a pyramid roof or a leaf roof to complete the look. This unit is ADA Compliant, available in quick ship colors Primary or Natural. Also available for customization to add whatever component you would like to make it your own custom design.

### Product Specifications

**WP-350016N00**

Age: 5-12

Capacity: 34-38

Fall Height: 72"

Use Zone: 34'x28'

Equipment Size: 21'-6"x16'

Perimeter: 100'

Surface Area: 745 Sqft

Post Size; Solid 3.5" OD

Color Options: Natural OR Primary

ASTM  ADA  IPEMA
